

SERVICES

Market Research

We identify your market niche after thorough and local investigation of products/ producers/ suppliers. We will brief you at every step in the process enabling you to swiftly adapt strategy according to the most actual market research outcomes.

Business Partner Research

You want to establish a new company or joint-venture?

Let us handle all steps from the negotiation with appropriate candidates, vetting of trustworthy management, to the conclusion of potential partnerships with e.g. suppliers, manufacturers or distributors. Our Dutch, English and Turkish speaking trade experts engage personally with potential partners or customers after your consent.

Commercial Delegation Trips

Keep your own hands free, save time and focus resources on your core-business. Ask us to identify potential customers and commercial partners, planning of trade events and commercial B2B or group meetings with relevant institutions, commercial attaches, exporters' unions, chambers of commerce and industry and expert associations.

Improve your business between
Türkiye & the Netherlands

We guide you in person and individually towards a successful solution in a result-oriented approach.

We offer expert staff, professional business networks and trade experience

We have offices in Rotterdam and Istanbul the most important logistics hubs connecting Europe & Asia

Company Establishment

Establish your company on solid foundations by keeping your financial risk and bureaucratic hassle to a minimum. We are aware opaque bureaucratic situations and invisible cultural peculiarities. You can expect services from A to Z: financial consultancy, recruitment, insurance, investment and incentive research.

Legal Consultancy Services

Solve your legal challenge with our Turkish, Dutch and English speaking expert team consisting of lawyers and financial advisors in Türkiye. Aside of providing general consultancy, we can also shed light on specific cases or complex juridical procedures.

Türkiye is one of the fastest growing economies in the world. Interest in Türkiye is increasing sharply . Both imports from and exports to Türkiye have increased in recent years. The prospects for the future are very promising.

This is where Turkish Dutch Trade comes into action. We provide you with the right guidance in your step to Turkey. We have a large network and extensive knowledge in the field of authentic Dutch and Turkish products. Do you have questions about Turkish laws and regulations? Our Turkish lawyers help you with your legal issues in the field of corporate law. Where other trading partners limit their services, we go further. We are your full-service trading partner. Turkish Dutch Trade is a dynamic company. We have offices in Rotterdam and Istanbul, the most important logistic hubs connecting Europe & Asia. We stand for service, quality and flexibility. We take care of the import or export process and completely unburden you. You should not expect less from us. Our goal is to bring Dutch and Turkish high-quality products to the market at an affordable price.

TÜRKİYE

A natural bridge between both the East-West and the North-South axes, thus creating an efficient and cost-effective hub to major markets.

Access to 1.5 billion people and a combined market worth of USD 24 trillion GDP in Europe, MENA, and Central Asia within a 4-hour flight radius.
